

What's Been Happening!

What an amazing Term 1 we've had! Thank you to all the wonderful parents and students who have attended our Team Kids Before or After school care sessions. We have been thoroughly enjoying our TK cooking club (especially the banana muffins!), lego construction, imaginative play in our Team Kids café, playing loads of outdoor sports, parachute games, STEM and science experiments, hama beading of course and various arts and craft activities (such as fireworks in a jar!)

We also experienced Ohhh! Week, where we had a ball at the Team Kids party, Bike'n' blend incursion, heat kids incursion, bubble soccer and a delicious Friday afternoon BBQ! We can't wait to share with you what is in store for Term 2!

Don't forget to book into our awesome Autumn holiday program – we have some fun and exciting incursions and excursions planned, such as Gumbuya world and inflatable world!

We look forward to seeing some new and old faces in the program for some epic fun. A reminder that casual bookings are welcome, and can be done via our online booking system, or alternatively by calling our friendly customer service team on 1300 035 00.

Let's have some FUN!

Important Dates

- Autumn Holidays – 8th-18th April
(CLOSED Good Friday)
