

What's Been Happening!

Can you believe we are over half way through Term 2 already! Time certainly fly's when you are having fun at Team Kids.

Lots has already happened this term:

- Kayti has returned from 5 weeks leave and is excited to be back in the program.
- We are in the process of getting our TK Epic Games club up and running.
- We introduced some new and exciting faces, both educators and children!
- We've experienced loads of art, craft and STEM activities with more to oome!

Bookings for term Winter holidays are now open, and we certainly have some super exciting activities planned such as Toy Story 4 the movie and Bounce! If you do not currently attend Team Kids, see what all the excitement is about by booking into some days over the holidays.

Important Dates

- Curriculum day
7th June –
Operating
7am-6pm
